Agricultural and Industrial Tractor Operating Rules

AGRICULTURAL AND INDUSTRIAL TRACTOR OPERATING RULES
Employee Operating Instructions

- Securely fasten your seat belt if the tractor has Roll Over Protection System (ROPS).
- When possible avoid operating the tractor near ditches, embankments, and holes.
- Reduce speed when turning, crossing slopes, and on rough, slick, or muddy surfaces.
- Stay off slopes too steep for safe operation.
- Watch where you are going, especially at row ends, on roads, and around trees.
- Do not permit others to ride.
- Operate the tractor smoothly—no jerky turns, starts, or stops.
- Hitch only to the drawbar or hitch points recommended by tractor manufacturers.
- When the tractor is stopped, set brakes securely and use park lock if available.

REGLAS PARA LA OPERACIÓN DE TRACTORES AGRICOLAS E INDUSTRIALES
Instrucciones de Operaciones para los Empleados

- Abroche en forma segura su cinturón del asuento si el tractor tiene (ROPS) Sistema de Protección Antivuelco.
- Cuando sea posible evite operar el tractor cerca de zanjas, bordos y agujeros.
- Disminuya la velocidad al dar vuelta, al atravesar declives y en superficies ásperas, resbaladizas o lodosas.
- Manténgase alejado de bordos muy escarpados para obtener una operación segura.
- Fíjese por donde circula, especialmente al final de hileras, en caminos y alrededor de árboles.
- No permita que otros monten con usted.
- Opere el tractor suavemente—no efectúe vueltas, arrincones o altos intempestivos.
- Enganche únicamente a la barra de torsión y puntos de enganche recomendados por el fabricante.
- Cuando el tractor este parado, fije los frenos en forma segura y use la traba para estacionarse si se dispone de una.

This product was developed for you by State Fund, your partner in loss prevention. We recognize that your loss prevention efforts affect the frequency and severity of illnesses and injuries in your work environment. Our experience shows that with informed planning and education, workplace injuries and illnesses can be reduced or eliminated. We are committed to the belief that a safe workplace can increase worker productivity and lower your workers' compensation costs. The safety and well-being of our insured employers and their employees is the primary concern of State Fund. We know you will find this information helpful in educating and encouraging your employees to establish and maintain a safe working environment.
